# IGOR PORTNOY

Experienced Data Science Specialist with a demonstrated history of working in the computer software industry. Skilled in statistics, R, Pyhton, SQL. Strong engineering thinking and focused on solving different business problems using different ML algorithms.

🎓 EDUCATION

2017
|
2015

M.A Economics
Bar-Ilan University

📍 Ramat Gan, ISR

- Thesis: Does Financial Development and Reform Spur Economic Growth? A Case Study of the Israeli Experience
- Used time series methods for evluating the long term link between economic indicators

2010
|
2008

B.A , Economics
Academic college - Bar Ilan University extension

📍 Ashkelon, ISR

- Graduated with Cum laude

💻 RESEARCH EXPERIENCE

2013

Research Assistant
Technology Analysis and Forecasting Center

📍 Tel-Aviv University

- Participating at European project, RACE 2050, wrote macro reviews on different economical aspects

💼 INDUSTRY EXPERIENCE

today
|
2019

Data Science Team Lead
Octopol

📍 Kfar Saba, ISR

- Manage and mentor a team of data scientists, while personally working on top priority projects (hands-on).
- Serve as the technical and professional expert of the team, providing guidance on all projects.
- Design and code appropriate solutions using machine-learning, and communicating with all business partners.

2019
|
2015

Data Science
Octopol

📍 Kfar Saba, ISR

- Responsible for end-to-end delivery of predictive models (from idea to production), using machine learning algorithms.
- Develop online decision-making systems and optimize system utilization while maintaining quality of service.
- ML techniques: GLM's, Regularization, tree models, CV etc

SKILLS

Highly experienced in

Python
R
SQL(SSMS)

Experience with

git
C++
curl
Bash
docker
aws/gcp
Rest API
Microservices
db: My-SQL,postgresql

Made with the R package pagedown.
